

# PRETTY IN PINK FOUNDATION PRESENTS THE 4TH ANNUAL

Pretty In Pink Foundation is a local non-profit with a unique mission: we provide uninsured and under-insured breast cancer patients in North Carolina with financial assistance for quality, lifesaving medical treatment.

The need is overwhelming—it is projected that approximately 13,000 new cases of breast cancer will be diagnosed in North Carolina this year and more than 2,900 will need our services. **With your help, 98.5% of them could become survivors.**

On Friday, April 4, 2025, at 5:30 pm, Pretty In Pink Foundation will present our fourth annual **Triple Crown Casino Night** at Legacy Stables and Events, in Winston-Salem. This is **the** signature fundraising event in the Triad area for Pretty In Pink Foundation.

The evening will feature cocktails, appetizers, dinner, exciting gaming tables, a live auction, a few surprises and a lot of fun!

Your sponsorship and participation allow you to invest in the assurance that breast cancer patients are finding the hope, care, and comfort they need to fight breast cancer.

Together we are making an impact...one Champion at a time!

Sincerely,

*Lisa Tolnitch*
