

3rd Annual Pink Project Festival

How to Schedule your Appointment with Pink Project Breast Cancer Awareness:

-**Click here:** appointments.invisiondiagnostics.com

1. Enter the Zip Code (**27617**) or Event Name (**Pink Project Breast Cancer Awareness**)
2. Click on your event/schedule
3. Select a time
4. Click on Get Appointment
5. From there you will enter all necessary information needed to schedule a mammogram appointment or call 877.318.1349

Important Details:

- Cost:
 - Insurance typically covers **one annual mammogram, 366 days** from the prior exam.
 - **Self-pay option:** \$200 (includes the entire service and radiologist report). No additional bills will be sent to the patient. We accept **cash, card, or Venmo** at the time of service.
- Eligibility:
 - Women **35** and older
 - MUST be 1 year since previous mammogram
 - Can NOT be pregnant or breastfeeding
 - Patient MUST provide a Primary Care Physician or OBGYN to receive results
 - MUST NOT be experiencing issues with breast/breasts such as:
 - a lump you can feel
 - pain
 - dimpling of breast
 - nipple changes
 - *Please verify insurance coverage for patients under 40 years of age.*

Additional Notes:

- Please bring your insurance card and driver's license.
- A primary care provider (Toni Kenion with Concinnity Health) will be at the event if you need representation for your mammogram.
- The mobile unit is **not handicap accessible**. Patients must be able to navigate **three steps** to enter.
- Mammograms take approximately **15 minutes** to complete.
- **ALL** participants must have a Primary Care Physician or OBGYN to send results to in case any follow up treatment is required. Reports are sent to the patient's primary care provider and typically available within **2-3 weeks** (may vary depending on prior imaging).
